Lighthouses Of The Carolinas

Synopsis

Eighteen lighthouses still stand in the Carolinas, from Currituck Lighthouse near the Virginia border down to Haig Point Lighthouse near the border with Georgia. Author Zepke tells how they were built and how they have weathered hurricanes, erosion, and neglect. Some are open to visitors; others can be seen from the coast or on a passing boat. In this second edition, all the travel guide information is updated, along with new sections on light keepers, the U.S. Lighthouse Board, and a timeline.

Customer Reviews

Great book and very helpful on our trip to North Carolina and the Outer Banks. I read it from one end to the other.
