## **Customer Reviews**

"People have written at length about how to live debt-free or save for retirement, but few have written about the reason for doing these things. Why should you work to become debt-free? Why should you save for retirement? In *The Money Challenge*, Art Rainer gives clear, biblically-based, practical wisdom about why we should give generously, save wisely, and live appropriately.<sup>2</sup> The 30 money challenges are opportunities for you to put into practice what you have learned. They are simple, yet valuable steps to help you become a better steward of God's resources.<sup>3</sup> - Jimmy Scroggins, Senior Pastor of Family Church, West Palm Beach, FL "I can't wait for you to read Art's book. It is so good. Art encourages and equips you in the Money Challenge. Not only will you learn a lot, but you will also enjoy his captivating writing style.<sup>4</sup> - Derwin L. Gray, Lead Pastor, Transformation Church, Indian

The Money Challenge creatively teaches and enables you to honor God through your life and finances. Thanks, Art, for tackling this tough topic.   - Dave Stone, Pastor, Southeast Christian Church, Louisville, KY    Pastors and church leaders: run to this book! I wish I had this book when I was a pastor. It is short, easy to read, and filled with practical steps to lead a congregation toward greater biblical stewardship. I would give a copy to every one in my church. Those who take these steps will have a church filled with joyous givers!   - Thom S. Rainer, President and CEO, LifeWay Christian Resources    "The Money Challenge" is a hopeful, gospel-oriented primer on using finances for the sake of the kingdom. Everyone can benefit from the biblical wisdom here, regardless of financial or social background.   - Russell Moore, President, Southern Baptist Ethics & Religious Liberty Commission    "The Money Challenge" by Art Rainer is an excellent book on how to be financially responsible. The 3-fold challenge to give generously, save wisely and live appropriately is mapped out in clear, practical and obtainable steps. God designed us to be generous and wise with our resources. This short and easy to read work will help you get there. I am delighted to commend it to you.   - Daniel L. Akin, President, Southeastern Baptist Theological Seminary, Wake Forest, NC

Art Rainer is the Vice President for Institutional Advancement at Southeastern Baptist Theological Seminary. He holds a Doctor of Business Administration from Nova Southeastern University and an MBA from the University of Kentucky. Art lives in Wake Forest, North Carolina with his wife, Sarah, and their three children.

This Book was very insightful and needed. When we attend school we are not taught how to effectively make our money work for us, but to aggressively work for our money. This book taught me that I don't make money for myself, I make money to further God's kingdom through giving generously, saving wisely, and living appropriately.

For those who want to tackle Dave Ramsey, but need a gateway drug. This book covers many of the same concepts, but quicker and in a more digestible fashion.

Rainer makes great introductions to key principles for financial health. This book will be a very helpful resource for many.

Very good book that was recommended by the pastor of our church. Arrived in great packaging, and the book material is very durable

Great principles with compelling fictionalized back story to put the principles into action. Recommend for young adults and all who want to make a difference with their money whether they think it possible or not. Show biblical insight for making wise decisions.

Excellent 30 day challenge for a group or even to remind youself

A must read

It good way to learn how start tithing in your local church.
