Customer Reviews

Founded in 1977 in Munich, Nelles Verlag publishes folded road and travel maps in color. Nelles uses special, easy-to-fold paper that allows thousands of refoldings without fraying. Nelles maps are highly readable, detailed relief maps with major roads and point-to-point distances clearly indicated. The maps include highly useful legends; city maps show tourist features such as hotels.

I needed a map for a future trip and this map was recomended by a friend. I came quickly and was what I was looking for.
