Tattoo Coloring Book For Adults: 40 Modern And Neo-Traditional Tattoo Designs Including Sugar Skulls, Mandalas And More (Tattoo Coloring Books) (Volume 1)

Synopsis

Get fantastic value for money with this huge Tattoo Coloring Book! These expertly illustrated, professional designs will provide hour upon hour of entertainment! This tattoo coloring book contains 40 single sided coloring pages. This allows you to remove each page for framing or to use as coloring reference in a portfolio for example. This also helps reduce bleed through onto the other designs even if you are using markers, making this book suitable for everything from coloring pencils through to marker pens. The tattoo designs contained within this fantastic book are created by various artists, each handpicked by us here at Adult Coloring World to ensure fantastic quality throughout. We know that sometimes you will buy a book after being impressed initially by an amazing design on the cover, only to be disappointed with the books contents when you open it. Well we make sure this never happens with any of our books and we can assure you that all of the designs inside are of the very highest quality from start to finish. This adult coloring book contains a wide variety of imagery. We have included everything from sugar skulls and mandalas, to moths and snakes. The tattoo designs you will find inside also range from very easy simplistic designs right through to the more challenging and complicated, so there will be something to suit all tastes. If you're interested in tattoo artwork, then you will love this adult coloring book. So what are you waiting for? Get your copy today!

Customer Reviews

There is way too much black incorporated into the drawings. They should have allowed the colorer to color in the black. The designs are cool, but it's a coloring book and there should not be parts already colored in. Also, the paper is not as thick as they advertise and if you use markers it does show through the other side. I would not purchase again.

Good book. paper is a little thin so be careful with what coloring with.

i was hesitant about this book because some tattoo books are cheesy, but this book has many solid neo traditional images. fun!

I really like all the designs! I gifted it to my friend who is a tattoo artist and they really enjoyed the designs and coloring it in. Although I wish that some of the designs weren't shaded in.

Rad drawings and designs! I'm a little disappointed in the paper though, its kind of grainy. I'm using prisma colored soft core pencils. But for the price, can't complain.

I was disappointed with this book. There's a few pictures I might color, but most of the pictures are too simplistic.

Really love the art work in the book and how you get to be the artist to choose what color they will be

I really like it and it really works for your disability and the stress
