# History Of The People Of Trinidad & Tobago

## Synopsis

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. --This text refers to an alternate Hardcover edition.

Best Sellers Rank: #2,771,556 in Books (See Top 100 in Books) #48 in [Books > History > Americas > Caribbean & West Indies > Trinidad and Tobago](#) #9036 in [Books > History > Africa](#)

## Customer Reviews

I'm a Trinidadian American trying to learn about my historical background. These previous reviewers convinced me to buy this book. I love it. It is verrrrry in depth. More so than I anticipated. This book helped to elucidate many facts that were unclear to me. It's not an easy read, but just take your time with it. It is a learning experience. I would have liked to learn more about the slavery of blacks and semi-slavery of Indians but it was enough information to get a taste. I'm glad with the amount of information that I acquired with this book. It is very informative. I'm not into historical studies, but I really enjoyed this book. Sometimes it was a bit tedious, but all in all very knowledgeable

information. Great read for American Trinians who want to learn their heritage which is very important!

Always love reading about my country and remembering all the things the generations had gone through but sadly and heartbreaking OUR sweet island is struggling after all this time. So reading this book brings me sadness and happiness all at once.

Poorly formatted

very interesting book

very good

Informative, useful

For anyone wanting another perspective about the history of Trinidad and Tobago. Written by the greatest leader of the PNM and the country of Trinidad & Tobago.

I purchased this book to learn about Trinidad and Tobago before visiting on vacation. I was pleasantly surprised by Williams' wit and sarcasm. The book moves at a good pace and includes anecdotes, numbers and interesting quotes. I feel like I have an adequate grasp of TT history now that I've read this book. I actually enjoyed it so much that I ordered another of Williams' books.
