Mr Gene Simmons

Synopsis

The story is biographical on the life of Mr Gene Simmons of KISS and is based on Harry Craster-Chambers (age 7) meeting Gene Simmons and an interview of Gene Simmons by his mum, Naomi Craster-Chambers at Download Rock Festival, 14th June 2015. Mr Gene Simmons is a true story of someone who is an inspiration to every child and adult who has ever thought "I do not have a cat in hell's chance to succeed." Mr Simmons defies all difficulties and is a success and it is a story about how to be successful despite hardships. Mr Gene Simmons shows us the key to success and how to deal with bullies, the importance of family and how to turn failure into success. Mr Gene Simmons is inspired by Harry's bedtime reading of the Mr Men books in style. Harry started to write this story and his mum enjoyed it so much she helped him finish the story by incorporating her interview and Mr Gene Simmons answers on life and a message to kids on how to succeed no matter what.
