Wendy Cheyette Lewison lives in Larchmont, NY.

I bought this book for my daughter Liberty, and we immediately had to order a second book as soon as we got it. One for bedtime reading, and one to put in her baby keepsakes box.

I like that this book is very gung-ho on America. This is a great read-aloud book for young children. We also have the Step 2 "Statue of Liberty" (by Lucille Recht Penner) for early readers, and the EXCELLENT "The Story of the Statue of Liberty" (Betsy and Giulio Maestro) that is more suitable for third grade & up book reports. I recommend all three. While they overlap on material, all three are very engaging and well-done.

I bought this book to introduce my three and a half year old son to The Fourth of July and all it stands for. I think it does the job well-as well as any book could for a child that young. The illustrations are truly multi-cultural. My son especially loved the page with the fireworks. And, its especially good for a New Yorker or someone planning a trip to New York, because we will follow the book with a field trip to the Statue of Liberty. Oh, and even though it's called L is for Liberty, it is not an alphabet book. I would have given it five stars but my son enjoyed it once and didn't ask to hear it again. (I just gave it to him today). But if he doesn't ask for it again, I'm still glad to have marked the holiday with an appropriate book, and I would be surprised if he doesn't want to hear it again, especially when we go to see Lady Liberty.

Granddaughter enjoyed this book.

Great book for 3 year old!

My daughter was thrilled to receive this book. It is good for beginning readers. And it is nice to give them something that is historical instead of another princess story.

Good for my preschool students...not happy with Wordery. I only received half of my order.

I teach at a weekly themed summer camp and use this series during our 4th of July week. The books are colorful, quick reads to introduce young kids to the citizenship. I use this series for K-2nd kids and they often request the books to look at on their own after I read them - always a good sign!
