Taking Sides: Clashing Views On Environmental Issues, Expanded

Synopsis

The Taking Sides Collection on McGraw-Hill Create™ includes current controversial issues in a debate-style format designed to stimulate student interest and develop critical thinking skills. This Collection contains a multitude of current and classic issues to enhance and customize your course. You can browse the entire Taking Sides Collection on Create, or you can search by topic, author, or keywords. Each Taking Sides issue is thoughtfully framed with Learning Outcomes, an Issue Summary, an Introduction, and an Exploring the Issue section featuring Critical Thinking and Reflection, Is There Common Ground?, and Additional Resources and Internet References. Go to McGraw-Hill Create™ at www.mcgrawhillcreate.com, click on the "Collections" tab, and select The Taking Sides Collection to browse the entire Collection. Select individual Taking Sides issues to enhance your course, or access and select the entire Easton: Taking Sides: Clashing Views on Environmental Issues, 16/e Expanded ExpressBook for an easy, pre-built teaching resource by clicking [here](#).

Customer Reviews

McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

This was used for a class textbook and was really great describing sides of environmental issues.

Overall I didn't enjoy this much because it was part of assigned reading, but in the end found it to be very informative and challenged my critical thinking skills. Found this text helpful to describing legal and ethical issues surrounding environmental law in a condensed format.

Book came just as described. Was ordered for a college class and was able to purchase it for much cheaper on than what my school book store was asking for it!
