The Price Of Scotland: Darien, Union And The Wealth Of Nations

Synopsis

The Price of Scotland covers a well-known episode in Scottish history, the ill-fated Darien Scheme. It recounts for the first time in almost forty years, the history of the Company of Scotland, looking at previously unexamined evidence and considering the failure in light of the Company's financial records. Douglas Watt offers the reader a new way of looking at this key moment in history, from the attempt to raise capital in London in 1695 through to the shareholder bail-out as part of the Treaty of Union in 1707. With the tercentenary of the Union in May 2007, The Price of Scotland provides a timely reassessment of this national disaster.

Book Information

Paperback: 320 pages

Publisher: Luath Press Ltd; 2nd edition (September 1, 2007)

Language: English

ISBN-10: 1906307091

ISBN-13: 978-1906307097

Customer Reviews

'Douglas Watt has brought an economist's eye and poet's sensibility in the Price of Scotland... to show definitively... that over-ambition and mismanagement, rather than English mendacity, doomed Scotland's imperial ambitions.' - THE OBSERVER 'The Price of Scotland treats Darien as a financialmania.' - THE FINANCIAL TIMES 'Exceptionally well written, it reads like a novel. As I say - if you're not Scottish and live here - read it. If you're Scottish read it anyway. It's a very, very good book.' - i-on magazine The must-have book on the events in advance of the Act of Union that brought Scotland and England together in 1707 is Douglas Watt's The Price of Scotland. It's a fantastic run-through of the "catastrophic failure" of the Darien Scheme - the creation of the Company of Scotland to establish a Central American colony. THE FINANCIAL TIMES

Douglas Watt is a historian, poet and novelist who lives in Linlithgow with his wife Julie and their

three children. He won the Hume Brown Senior Prize in Scottish History in 2008 for *The Price of Scotland: Darien, Union and the Wealth of Nations* (2007). *Testament of a Witch* is the second in his series of ingenious murder mysteries set in seventeenth century Scotland featuring lawyers John MacKenzie and David Scougall.

a little bit boring.....but I do not read a lot of non-fiction.

great book
