# Emily Post's Wedding Planner, 4e

## Synopsis

Revised and repackaged, a perfect companion to our bestselling Emily Post's Wedding Etiquette, this new edition will help brides ask all the right questions, keep track of all the details, stick to their budget, and plan the wedding of their dreams. This new edition combines a lively, attractive design with streamlined practicality, providing important to-do checklists, questions to ask, vendor comparison charts, and budgeting information for easy use by today's busy brides. Emily Post's Wedding Planner will help couples organize and keep track of every detail of their wedding, with the clarity and comprehensiveness readers have come to expect from this trusted authority. Peggy Post helps couples organize their decisions and move ahead with bringing their wedding to life. When used as a companion to Emily Post's Wedding Etiquette, Fifth Edition, every couple can feel confident that no detail has been overlooked in creating a wedding experience that will be treasured by all for years to come.

## Customer Reviews

The three authors of these two very different works about marriage serve also as narrators. Peggy Post, great-granddaughter-in-law of Emily Post, achieves the greatest narration success as she counsels listeners on modern wedding planning and etiquette in a well-modulated, pleasing tone. Topics included in this comprehensive guide range from engagement etiquette to choosing a wedding style to planning a honeymoon. Because Post believes that, when it comes to weddings, "excess does not always equal success," she provides many practical, money-saving tips

throughout. The Brodys, husband and wife relationship counselors, share narration duties in their work about marriage at midlife. Swapping narrators every few minutes gives the work a choppy feel and causes an overall discontinuity in the narrative. The personal experiences of the authors and composites drawn from their counseling practice illustrate problems commonly experienced by middle-aged couples. In a rather haphazard fashion, the Brodys discuss marriage challenges such as children entering school, demanding careers, love affairs, and retirement. Multiple copies of Post's work would be welcome in most public libraries; the Brodys' program is an optional purchase. ABeth Farrell, Portage Cty. Dist. Lib., OHCopyright 1999 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

“Packed with important advice on how to make decisions about your wedding and stay organized.” (InStyleWeddings)

Chalk full of information, but a dull read, long and plain. I know my best friend would be less than pumped about this boring how to guide instructing her on the most important day of her life. I want to get her a useful fun resource, not an encyclopedia of formalities. I think this book is for the older generations

Waste of money. Everything is available on the internet. It's also somewhat outdated.

Has served us very well on our upcoming wedding.

it has everything you need

Even though this book has etiquette pointers, it doesn't have enough space to write down things. Sometimes you are directed to make a copy of a page so you will have enough pages. There is only two pockets to keep receipts, etc. Each section does have very detailed questions to ask vendors, photographers, etc. Instead of putting theses within the chapter, they should have been in an appendix so you can easily locate all the questions. My advice is to buy the Emily Post Wedding Etiquette book (which I did) and find another planner.

The bride to be loved it and finds it very useful.

This was a gift.

perfect for what I need
