Customer Reviews

I liked all the stories in this book and found three more authors to add to my list of 'Amish Book Authors I want to Read'.

Not a big fan of novellas but was trying to find something to read that was Christmassy. This book did a nice job of giving me a little Christmas in the genre I like to read. Kelly Long is a good author but she is a little more explicit than normal when reading a "clean" romance. I recommend this book and would buy it again for a quick read!

I don't like reviewing books. Everyone's taste is different.
