He And I

Synopsis

In this timeless spiritual testament, readers enter into the intimate, interior conversations between Jesus and Gabrielle Bossis, a French nurse and playwright. Recorded in her diary from 1936 to 1950, their tender exchanges capture Jesus' enduring presence in our daily lives, his insistence on kindly serving others, and his encompassing love for humanity--and show that ordinary individuals can experience an intimacy with Christ.

Customer Reviews

"He and I" really gives you a sense of what Jesus is saying to us if we could hear Him as He wants to communicate with us and we to Him. Sometimes knowing what He might say helps us to lay down the fear of hearing Him and we begin to listen and respond. I believe that God wants us to be childlike and love Him as a humble child with an open heart, mind, and will seeking Him.

I love the book. It is the story of an older French woman who has such a close relationship with Jesus that He speaks to her. She has written down what he said. This book has been translated from the French version and I have the bigger paperback and also the Ebook.

Certainly the reader has to remind themselves that in He and I s/he is reading words given us through a mystic. It does at times seem a bit too sweet perhaps, or too much of a "Jesus and I" book that is exclusive of everyone else. But the interior revelations to Bossis are not exclusive and

they are the words of divine love. Keeping this in mind then lets the reader, male or female, begin to experience Jesus speaking to all of humankind through this very down to earth woman who has an active life in the world of theatre and is as busy about the normal life as any of us have. Still, in spite of travel and performances, shopping for groceries and cooking meals, catching trains and running to the theater this lady receives mystical messages "on the run" so to speak. If the reader will open their heart, take time and let Jesus speak to him or her through this book I feel certain that they will come to know how deeply God loves them and wants a real, true, down-to-earth love affair with each person. Perhaps this book is one that the reader has to develop a taste for, but having developed it, He and I has the power to be a life changing book to read, meditate and read a little more. This book is well worth the effort to take a revelation given to someone else and make it intensely personal for the reader. You will be grateful that you have purchased this book and I am confident that having done so you will treasure this book similarly to treasuring the Bible. He and I is definitely NOT Revelation in the sense that the Bible is, however it is a work of mysticism that is a special experience of God speaking to us in words that take us from a perhaps at times shallow relationship with God to a very deeply personal love affair with God. In this sense it is revelation with a small "r". No one needs to accept this book as authentic, but if we can get by the speech of a mystic and accept that the words are as much for us as for Gabrielle Bossis, He and I will be a spiritual experience that opens our minds to a truth that is also shown us throughout Sacred Scripture, namely that God loves each of us as if we were the only human that ever lived. I highly recommend this book to the person seeking to have a more profound spiritual life.

Every Christian should have a copy of this amazing book. So inspiring how the Lord spoke to Gabrielle I have mine by my bedside and read it every day. Jesus is Amazing!!!!!!

Such a touching book! We can never know whether the author really "heard" Jesus' voice, but the messages she offers are inspiring and answer a plethora of questions you might have about all kinds of topics in comforting, clear words. I'm taking my time, rereading some pages as I go because each page is packed with quotes you want to remember and pass on. A treasure!

Truly an inspiration! I find myself not reading this book like any regular book, page by page, but opening it up and always there is Christ speaking tenderly not only to Gabrielle, but to myself. I am so thankful for this book and I also recommend "The Flame of Love of the Immaculate Heart of Mary" which is the Spiritual diary of Elizabeth Kindelmann. Glory to God always and forever!! God

bless!

I've been reading and re-reading this book for the last 10 years. It has given me a better sense of the true love and compassion of God and his desire for a relationship with each of us. Thank you for these wonderful and inspirational messages.

This is a wonderful book! It serves as a reminder on what Jesus would like in a relationship with us, as well as providing thoughts and ideas worthy of contemplation. Highly recommend for believers.
