Customer Reviews

Double crostic books are hard to find but got one to me lickety-split and followed up with an e-mail detailing the other crostic books they had found. "Used" meant "on the shelf a while" but puzzles had not been worked.

Acrostics are such great puzzles. I'm glad to see that carries them, because they're getting harder and harder to find. The Simon and Schuster Crostics are challenging but not impossible. Great fun.
