The Healthy Wok Chinese Cookbook: Fresh Recipes To Sizzle, Steam, And Stir-Fry Restaurant Favorites At Home

Synopsis

Enjoy Simple, Healthy Versions of Your Favorite Chinese Dishes with The Healthy Wok Chinese Cookbook

Chinese food is a favorite among many American families. But its harmonious fusion of sweet spice and tangy heat doesn't have to go hand-in-hand with overly sugary sauces, extra salt, greasy meats, or undesired MSG. When Charmaine Ferrara moved from Malaysia to America more than 15 years ago, she was struck by the difference between the American adaptation of Chinese food and the traditional Chinese fare she'd grown up on. Charmaine began experimenting with her wok, recalling how her mother and grandmother made dishes, to recreate the meals she was missing. Since then, she's devoted herself to showing others how simple it is to create delicious Chinese recipes the way they were intended—fresh, flavorful, and light—and in her first Chinese cookbook, Charmaine does exactly that. In The Healthy Wok Chinese Cookbook Charmaine has combined the flavors of her heritage with her passion and know-how. The Healthy Wok Chinese Cookbook makes it easy to enjoy healthy takes on classic Chinese food at home. From steaming to stir-fry, this Chinese cookbook will help you harness the simple power of your versatile wok to make more than 85 healthy, tasty dishes. With The Healthy Wok Chinese Cookbook you will:

- Quickly learn to make meals that swap out heavily battered ingredients and saturated fats for flavorful meats, fresh vegetables, and heart healthy oils
- Enjoy the easy organization of chapters that follow the structure of a Chinese restaurant menu
- Discover tips for buying and maintaining your wok so you can use it for years to come
- Master a variety of techniques for cooking and stir-frying your favorite dishes

If you're looking for a Chinese cookbook that offers healthy recipes with restaurant-quality taste, look no further than The Healthy Wok Chinese Cookbook.

CHARMAINE FERRARA was born and raised in Malaysia where she first learned to cook from her mother and grandmother. When she learned to cook for herself, Charmaine discovered how easy it was to make many Chinese dishes using her wok. She is the author of the food blog *Wok & Skillet* where she shares her passion for creating simple and delicious recipes with the world. Learn more at wokandskillet.com.

Simple, easy, yet packed with flavour! I've already made 2 of the dishes and have 2 more on my menu. A must have book xxx

Looking for your first Chinese wok cookbook? This one works nicely as an introduction for the beginning cook and maybe also for the experienced cook looking for some variations on a theme. It has a plethora of easy dishes using ingredients found in your own market (and a couple of exotic ones you can order from). The healthy spin means stir fry alternatives to deep frying and 'light on the oil' alternatives to some Panda Express favorites. The recipes are easy to read and follow and contain an essential ingredient list and explanation. There are colorful and attractive illustrations. The two first chapters cover the basics of cooking Chinese at home with your own wok along with a guide to the necessary ingredients. This one, along with Diane Kuan's *The Chinese Takeout Cookbook*, would be the one I would give to a neophyte.

I have made many dishes from this cookbook and I am in love with the meals. I have most of these ingredients in my fridge, like fresh ginger, soy sauce, and fresh garlic. I have never purchased oyster sauce and black bean paste, but I am happy to say I have them now. I recommend this book to everyone who loves simple Chinese food and wants to make their own. The meals do not take a long time to prepare and they are delicious so I give it five stars.

Love this cookbook! Easy / healthy meals. The photos were great and the author made the learning process fun as well as informative!

Have not stopped reading this book that just arrived yesterday. So many great recipies!

This is a beautiful cookbook, with clearly written (and delicious) recipes. The recipes are also simple enough that I don't find them intimidating. I'm so glad I added it to my cookbook collection!

Easy to follow and very healthy recipes.

Recipes I have been looking for!!
