# Stick Cat: A Tail Of Two Kitties

## Synopsis

There's a new pet in town: Stick Cat! Perfect for fans of the Big Nate, Diary of a Wimpy Kid, Timmy Failure, and Stick Dog books, Stick Cat features Tom Watson's trademark combination of laughs, adventure, and hilarious stick-figure drawings. It's a big day in the big city for Stick Cat and his best friend, Edith. There are treasures to hunt, songs to sing, pigeons to catch, and naps to take. But way up on the twenty-third floor, danger lurks just around the corner. Terrible noises and violent crashes trap a desperate man in the building across the alley. Stick Cat will need to navigate his way across the alley—and around Edith's peculiar ways—to attempt a rescue. Stick Cat's high-wire act is sure to please cat lovers and Stick Dog fans everywhere—even reluctant readers.

## Customer Reviews

"This sequel to Stick Dog (2013) will have readers diving in and then begging for more adventures—canine, feline, or otherwise. The simple drawings might also inspire young readers to try their own hands at illustration. Chapters frequently end with cliff-hangers of sorts, encouraging readers to predict what might happen next."

(Booklist) "Watson's knack for incredibly endearing characters means that readers

will be invested in Stick Cat and Edith from the first page. (Bulletin of the Center for Children's Books)

Tom Watson lives in Chicago with his wife, daughter, and son. He also has a dog, as you could probably guess. The dog is a Labrador-Newfoundland mix. Tom says he looks like a Labrador with a bad perm. He wanted to name the dog "Put Your Shirt On" (please don't ask why), but he was outvoted by his family. The dog's name is Shadow. Early in his career Tom worked in politics, including a stint as the chief speechwriter for the governor of Ohio. This experience helped him develop the unique, storytelling narrative style of the Stick Dog books. More important, Tom's time in politics made him realize a very important thing: Kids are way smarter than adults. And it's a lot more fun and rewarding to write stories for them than to write speeches for grown-ups.

My 8 year old daughter was resistant to reading until we picked up Tom Watson's Stick Dog. Stick Cat books have the same draw and appeal. If you have a small animal lover at home, this is really engaging series.

My students enjoy Tom Watson's Stick Dog books and now enjoy Stick Cat. They think it is funny! (I teach 5th grade but I have had 4th and 6th graders borrow them)

From Stick Dog fans, we love the new series!! Can't wait for more stick cat!!

A gift for my girlfriend's son and he loved it!!!! I enjoy reading to him so it's a great gift for families!

My 8 year old grandson and I read this book together. It is as much fun for me as it is for him! Very creative!

Arrived exactly as described. Thank you!

My 11 year old son said he really liked this book.

I very much enjoy this series. My son and I enjoy reading them before bed. The characters are entertaining and sassy which makes them enjoyable to read.
