The Enchanted (Changeling: The Dreaming)

Synopsis

Sometimes mortals, fortunate or unfortunate, are chosen by the Dreaming to be a part of the world of enchantment. Some bear fae blood, though they are not changelings, and some are brought in under the spell of Glamour. However they come to the Dreaming, these people will never be the same. This book offers a wealth of information on how changelings interact with the rest of the world - from mortals to supernaturals. Here are uncovered the secret alliances of the fae and the Prodigals as well as their ties with mortals and the magi.

I expected creation rules, templates and powers for Kinain, the humans with fae blood in the World of Darkness. I got it. But, this book goes into the way that glamour affects the day to day life of the changling. It explains how the dreaming can affect mortals and how the Kithain deal with them. It's an excellent sourcebook if you need to populate your world with dreams and dreamers.
