DIRTY X6 (A MFMMMMM Menage Romance)

Synopsis

I have SIX demanding, sexy, dirty-talking, alpha men who want me. How can I resist? There are the CHEF, who does things with whipped cream that I can't forget. The TECHNICIAN torments me with kinky toys and gadgets. The PLAYBOY is deliciously wicked, toe-curlingly sexy and oh-so-charming. Then there is MR. B***MAN, with his filthy, forbidden fantasies. The DOCTOR, who wants to examine every inch of me. And of course, there is the DOMINANT, who demands my complete, willing submission. It is impossible for me to choose between them. So I don't. I give in to my dirtiest, steamiest fantasies. I surrender to every wicked demand. What's the harm, really? Then they find out about each other. Dirty X 6 was previously released as Never on a Sunday.

The winter cold already have you down? Pour yourself a wonderful adult beverage and curl up under a quilt in your favorite reading spot and be prepared to warm up fast. Stephanie Rice is a woman who loves sex and makes no apologies for loving sex. She is able to handle six different men - all at once!! She beds a different one six nights a week. After all, a woman needs one night of

rest a week. She likes to keep each one separate and in his own slot. There is the Chef, who really isn't a chef but loves to cook. And he knows how to take food and turn it into a wonderful steamy sensual experience every time Stephanie meets up with him on Monday evenings. The Technician is a master at building twisted machines that take things just over the edge. The Playboy is sauce and refined and just what a girl needs as that break in between steamy erotic sex. The B***man has a fascination with the twisted and forbidden. The Doctor loves to give her a full physical exam every time. And makes sure to not miss an inch of skin. The Dominant demands complete and total submission. How is a girl to choose just one? So she doesn't. But then one night, things get very crazy since it turns that all six of her lovers know each other and have come together to give her a very special birthday present. This book does contain hot steamy sensual sex that is outside of the box for some. This book is not for you if you are not comfortable reading steamy consensual sex between adults with a little bit of kink. This story was previously published as part of an anthology under the name Never on Sunday so it technically is not a new book. It is a reprint but it is worth a re-read. I did receive a copy of this title as an advanced reader copy from the author in exchange for a fair unbiased review. I volunteered to do this review since I greatly enjoyed reading this story under its previous title.

So far, most of the reviews say pretty much the same thing. Why? Because Dirty X6 is 78 pages of just that. Nothing more ;)! It's incredibly dirty, sexy, steamy, hot. Stephanie is completely comfortable in her sexual choices. The men aren't the least judgemental. And, while the character development is excellent, there's not much plot. Not much plot needed! Just sit back and enjoy this one for what it is - pure, unadulterated, dirty sex!

Stephanie is a girl with a lot of stamina. She has 6 guys that she only sees each one once a week. Monday is the chef, Tuesday is the Technician, etc. Sunday is her relaxation day and laundry day. All is fun and games until the 6 of them find out about each other. What will happen when they find out about each other. Read to find out

Should be renamed the Filthy Dirty X6. Talk about panty melting, set that sh\$\$ on fire Hott. Loved it. Stephanie has no problem what so ever with her sexuality. So stepping up her game for everyday of the week she has a different guy. Each who's into different kinky things. Nothing is wrong for her and the sex is scorching hot. It's not like they know each other or that they have strings attached to her...

Book was tingling hot! Not having the nerve to do such things, it's good to be able to read about it at least! All who don't have the nerve but still want the thrill needs to read this book!

Absolutely the best I have read!! Strictly for Adults Only!!! Must have an open mind and really enjoy sex in all ways and not be afraid to try more than one lover at a time. Trust is Necessary for all sexual experiences!

Wow this girl sure had a system when it comes to her 6 gentlemen. Talk about a coherent one each night of the week but one. Good read for sure. Worth buying.

This is more straight forward, then some books. It is so hot. I could not put it down. I wanted to see what was going to happen next.
