Yona Of The Dawn, Vol. 7

Synopsis

A red-haired princess loses her family and her kingdom— Now she must rise and fight for her throne! Princess Yona lives an ideal life as the only princess of her kingdom. Doted on by her father, the king, and protected by her faithful guard Hak, she cherishes the time spent with the man she loves, Su-won. But everything changes on her 16th birthday when tragedy strikes her family! In order to free the port town of Awa from an evil tyrant, Yona and her friends team up with Jaeha, the Green Dragon, and his fellow pirates. While Hak and the others are fighting Yang Kum-ji's forces, Yona and Yun infiltrate a human trafficking operation! When the enemy closes in and things look dire, what will Yona do?

Book Information

Series: Yona of the Dawn (Book 7)

Paperback: 192 pages

Publisher: VIZ Media LLC (August 1, 2017)

Customer Reviews

Born on February 3 in Kumamoto Prefecture in Japan, Mizuho Kusanagi began her professional manga career with *Yoiko no Kokoroe* (The Rules of a Good Child) in 2003. Her other works include *NG Life*, which was serialized in *Hana to Yume* and *The Hana to Yume* magazines and published by Hakusensha in Japan. *Yona of the Dawn* was adapted into an anime in 2014.

Just started reading this volume of this amazing series. I love the art and how the storyline is heading. Can't wait for volume 8 to come out.

~4/5 We end the pirate plot in this volume. They take down the slave-trafficking ships, Yona takes a stand, and then they all celebrate. Then they have to say goodbye, and it's a sad parting for all of them. After all of that commotion, we get a surprise visit from Suwon. I saw this in the anime, so I knew it was coming. I think it hit me harder in the manga, given Yona's reaction and her inner thoughts while hiding. But, I am rather confused by Suwon's reaction, and what his intentions are in the future. I'm just not sure about him. Though, at this point, I still don't think I like him, in general. And then Yona and her five companions are off, in search of the last dragon. That will be left to the next volume, though, because this one ends with a little comedic reprieve. Yun finds a scale of the white dragon being sold as a love charm, and it causes quite hilarity and adorableness. I'm glad that after this, we get mostly new stuff after the anime. I'm really looking forward to meeting the last dragon, and to see what happens after that. I love this series, and cannot wait for more. (Wouldn't it be amazing if these were monthly releases?) [More of my reviews are available on my blog, Geeky Reading, to which there's a link on my profile.]

Great volume! As the Awa arc draws to a close, we see the turning point in Yona's continuing journey towards strength and independence. We also see subtle growth in some of our other main characters, specifically Yun and Jaeha. The art, as always, is gorgeous and the characters are engaging. This is where the plot really starts to pick up, so I can't wait to get physical copies of the next volumes!

This is the best shojo manga I've ever read. The plot is incredible. Please keep this series going.

Great
