The Natural Speaker, 8th Edition

Synopsis

The Natural Speaker is a concise, practical, inexpensive, student-friendly guide to public speaking that explores the basic skills necessary to present a natural, effective, and rewarding speech to any audience. By providing a basic knowledge of speech construction, practice, and delivery, this book is designed to enhance and improve students' natural speaking strengths. Featuring a warm, simple, and humorous writing style, The Natural Speaker presents the fundamental concepts and skills required for effective speaking.

Customer Reviews

Randy Fujishin is a Communication Studies instructor at West Valley College in Saratoga, CA. In addition to being a classroom teacher for more than 35 years, Randy is the author of seven books in the field of communication, a conference speaker, and a marriage and family therapist.

very helpfull book for public speaker

great book and really simple and easy to read. its a lot of information at once though so you need to read in increments, i sure did learn a lot and because i needed to read it for my public speaking class. the advice sure did help!

It'd be nice if there were page numbers instead of location. Otherwise, it's a pretty easy textbook to

use.

Passed this class with an a

I absolutely hated this book! So much so, that I returned it within days of even receiving it. I was told it was a quality read, but I beg to differ. Please save your money and purchase something more worthwhile

I have just finished first chapter, and I have already like it. This is a great book to improve communication skills. This is one of my University's text book that offered. I wish I had bought this book not rent it.

It is a helpful book for me to work on my communication skills. It is easily understandable and the author talks to you in a way that it is like he is speaking the words.

Concise. Randy draws parallels to everyday communications and the importance of considering the principles and elements of communication. He covers all you would need to know to improve communication in settings that go beyond the podium.
