Customer Reviews

Steven B. Stevens known by many as "The Voice of God" recorded many Bible translations that have been duplicated into over 100 million cassettes and Cds. Stevens, is a passionate Christia,

who knows how the Word of God changes and uplifts lives. Steven wants everyone to know the Good News of Jesus. He supported missionaries worldwide, made over 20 trips to Africa, and led many groups into Russia, bringing in medical supplies and Bibles. when you listen to this narration you will understand why he is known as "The voice of God."

I purchased this audio version and the BlackStone/Lockman Foundation version. This version is superior in: 1) the reading voice/inflection (easier to follow & the right amount of inflection); 2) listing the contents on each disc and having every track be a different track; and 3) including bonus videos on how the English Bible was first translated and produced (a quality video production) and a one hour summary of the whole Bible that I haven't listened to. The BlackStone/Lockman Foundation version does not note the contents of each CD, a significant drawback.

This is a great recording. The narrator has a good voice and just enough emotion to keep you listening it doe not have any sound effects or anything. Just the spoken word the way it was meant to be listened to.

THE CADENCE AND TONE OF THE READER IS PERFECT FOR THIS TASK. The collection is packaged efficiently and each CD is easily taken out and then returned upon use. I HIGHLY RECOMMEND THIS AUDIO VERSION.

I wish I was able to sample this audio before purchasing this. Steven has a very deep voice. He reads the Bible with emotion and drama. If you like this style, then this is for you. It's not my cup of tea. I prefer Dale McConachie's rendition.

Very nice product. Very understandable and just takes some time to get used to the voice of the narrator. But, very good quality

Exactly what I wanted! Excellent narration with no background noise to interfere with the clarity of the narration. Lovely and durable storage case. I could not be more pleased with this purchase, and I felt the price was very reasonable. I will certainly recommend to friends.

This was a purchase for a friend who needed an audio Bible. She has listened to most of the CD's already and seems to like it very much.

Excellent product. Narration is great.
