This book follows along with the French curriculum at my son's school so it was very helpful to have for him to learn French. It has helpful quizzes to assess learning and was as described.

easy to use Before I didn't find a lot of online stores, can find what I want in the , it is very nice. This product is exactly what I want, just did not expect to find here, cheap and good quality. Received this as a gift. Very impressive and chuffed with it. Well worth it. Excellent little product. it really works
