Customer Reviews

The book is good. Simple law of attraction and manifestation techniques. Does require commitment.

I picked up all 3 books as they were so economically priced. The majority of the information is a regurgitation of the majority of dating books, however, there is a lot included about the law of attraction. I would pick up the book just to have a different perspective.

Thank you, thank you Lanie.

I read all three books - her tips are easy to learn and remember. Lanie is also very responsive and helpful on email

Great Advise for women, it's all about empowerment and loving yourself

Like the ideas Lanie Shares.

A must read, it will change the way you think and behave towards men.

Very good
