Customer Reviews

My son loves Minecraft and this particular series. Got him to read a whole series for once with no prodding. Whatever works works. He told me he even read the books aloud to friends at school who enjoyed these books as well.

I will reformed this book to NOCH it is so good good for all ages mom tells me to read I read this

My child loves this series. If you have a 7-10 yr old interested in Minecraft, this series is highly recommended.

Love these books Really fun to read Great book for Minecraft fans and diary of a wimpy kid fans .

This book is really cool. I really really really really love this series, thanks again CubeKid for putting me and my sister in the book before this one. Runt's robes should be cactus green.

Lol I think it should be blue!! Or Red!! Or bright purple lol. The book was amazing, a total cliff hanger!!
I also noticed breeze was in the picture of when the ppl yanked rock out of his boots and in the picture of in accent "you must train five hours a day you bedrock digging...." that pic. And the "you will listen to your teachers" and the one where ruby sees professor brio. Breeze is in the corner of the window, I think. Nice, cube kid. That's really cool

Awesome book.
