Customer Reviews

Great find for those thinking about taking on a DIY landscape or patio. Found it as an useful introduction into landscape design elements, technical vocabulary, planning tips and organization ideas... recommend it for first time home owners or those beginning to dive into the world of

gardening!

I learned some new things without feeling intimidated as I am a complete novice. Who knew there was such a thing as rubber mulch?

full of interesting ideas

This book gave us some ideas. I am glad I bought it.

Good book with useful information but not much detail.

How to design your own landscape-kindle edition is a thorough and informative do it yourself suggestions and money saving advice for your landscaping.

Very Good Book!

loved it
