Synopsis

Nothing can separate a boy and his dog. A boy. A raggedy pup. The pup's mean as a rattlesnake owner. A dad who no how no way wants a dog in the house. This is how it all begins in Phyllis Reynolds Naylor's Newbery Award-winning novel, *Shiloh*. When Marty rescues Shiloh from his cruel owner, determined to keep him safe, even hiding the dog from his own father, he never realizes that it will be Shiloh who will keep HIM safe, again and again. Here together for the first time are all four *Shiloh* novels, the *Lassie* for a new generation. Full of adventure, heart, and the best kind of friendship, the *Shiloh* novels are American classics.

This is a delightful series. It's not just about "a boy and his dog." The story is much deeper than that. But it's told in a consistently believable style and tone that keeps you hooked (and sniffing from time

to time). The series also holds up quite well from the first book to the last (which is "A Shiloh Christmas" and NOT included in this set - watch out for the listing which seems to imply that the set has all four books!) Each book has its own compelling story; you can read them in order or not, and they're just as good. Definitely recommended for any age.

Purchased as a reading set for 22 elementary students I tutor each week. The set arrived in impeccable condition and we're looking forward to reading them.

My son and daughter enjoyed this book series very much.

My son read the first book in his 5th grade class at school. He begged me to get the other books in the series. This was a great buy to get the entire series. He had the book finished in just 2 days!

My nine year old in has read this series this immersed and really enjoyed it.

I read the 1st one when I was little. GREAT BOOK!!! Now I got the WHOLE series for my little reader.

Great book series! My 3rd grade son loved reading them.

Not sure what I can say about these except my grandson loves them!
