Slightly Bad Girls Of The Bible Workbook: Flawed Women Loved By A Flawless God

Synopsis

Learn more about how God works through strong-willed women! More is what you'll find here: more in-depth teaching in a workbook format, more questions that help you grasp the lessons each story offers, and more ways to embrace the grace and sovereignty of God. This companion workbook brings *Slightly Bad Girls of the Bible* even closer to home, taking you deeper into the stories of Sarah, Hagar, Rebekah, Leah, and Rachel—five strong-willed wives and mothers, greatly loved by God. *Slightly Bad Girls of the Bible Workbook*—“If you’re reading *Slightly Bad Girls of the Bible* on your own, the workbook lets us sit side by side as I guide you through each chapter of these women’s lives. If you’re using the book and workbook in a small-group setting, think of me as an unseen sister cheering you on and helping you delve further into the biblical material. The goal here is personal growth, not pages full of ink, so take your time and savor the journey.”—Liz Curtis Higgs

Customer Reviews

One million readers have already taken a walk on the wild side with Liz Curtis Higgs and her eye-opening blend of contemporary fiction and biblical commentary. Laced with humor and heartfelt self-disclosure, Liz’s unique brand of “girlfriend theology” has helped women of all ages experience God’s grace anew. Liz is the author of twenty-six books—with more than three million copies in print—and an award-winning speaker, having addressed 1,500 audiences around the globe.

Came in good shape and if I can get myself in a daily routine this study and workbook will be very helpful to me.

This book is the third Liz Curtis Higgs "Bad Girl" book that my pastor has used for a study. In each of the chapters the author has a short contemporary story similar to the Bible story that is the focus of the chapter. This helps to put it in perspective of how the story could apply to us today. In this study I have found that the author brings up different insights that change the way I had always thought of the subject and makes me really think and imagine how life was in those days. This week we will be discussing the chapter about Leah and how she may have felt about being, I believe, in a loveless marriage and how she reacted to her situation.

fabulous

It was written in all the way thru. Disappointed with this purchase.

Used in my Sunday School class and was a great study.

Goes great with the book! Easy to follow

My Bible study group purchased this book & workbook for one of our recent studies & we have been more than pleased not only with the study but also with the other books written by Liz Curtis Higgs.

I haven't started this one yet, but am excited about having this, as I really loved the first one in this group of Bad Girls.
