Customer Reviews

Henry R. Cheeseman Henry R. Cheeseman is an award-winning author of several business law textbooks published by Prentice Hall Publishing, including the definitive, highly-regarded "Business Law," Other textbooks published by Professor Cheeseman by Prentice Hall Publishing are "Contemporary Business and Online Commerce Law, The Legal Environment of Business and Online Commerce, Essential of Business and Online Commerce, and Introduction to Law," He has earned six degrees, including a Juris Doctor degree from the UCLA School of Law, an LLM degree from Boston University, and an MBA degree from the University of Chicago. Professor Cheeseman is a Clinical Professor of Law and the Director of Legal Studies at the Marshall School of Business, University of Southern California. Students there voted him the best teacher of the year on many occasions, earning him the "Golden Apple" Teacher Award. Professor Cheeseman has also served at the Center for Excellence in Teaching at the University. Professor Cheeseman recognizes the importance of the paralegal to the practice of law, and has co-authored this new and exciting edition of "The Paralegal Professional." Thomas F. Golman Thomas F. Goldman is a Professor of Law

and Management, Former Director of the Center for Legal Studies and of the Paralegal Studies Program at Bucks County Community College in Pennsylvania. An accounting and economics graduate of Boston University and of Temple University School of Law, Professor Goldman has an active international law, technology law, and litigation practice. He has worked extensively with paralegals and received the award of the Legal Support Staff Guild. He was elected the Legal Secretaries Association Boss of the Year for his contribution to cooperative education by encouraging the use of paralegals and legal assistants in law offices. He also received the Bucks County Community College Alumni Association Professional Achievement Award. He has been an educational consultant on technology to major corporations and a frequent speaker and lecturer on educational, legal, and technology issues. Appointed to the American Association for Paralegal Education Board of Directors in October 2005, and served as the Chair of the Technology Task Force initiating the Train the Trainer program.

This book is very well written and is quite straightforward, and I enjoyed reading about the real life business cases in this book. I learned a lot about business law and how it works in general and it is better than the business law book I used back at NC State during the spring of 2005. This one has more real life examples and each chapter has a real life case. I highly recommend this book for students majoring in accounting. Business Law isn't my favorite subject, but this book definitely made it more fun! Thanks! :)

Almost like a review of my entire law school curriculum in one text book, with one difference - it has Pictures, and Clear Headings, and other Learning Aids - those dry case books in law school did not have any of that. I highly recommend this book. PS - I bought a used copy, one edition older than current, for about \$20. What a steal. The law has not changed that much in 2 years.

Bought this for my MBA class. Trying to save money and read on my Surface Pro 3. It isn't supported on it though. So when I go to read it on my Kindle, I find out it behaves more like a PDF than a book. Pages are cut off on the top and bottoms and the print is almost impossible to read. Safe to say I won't be renting digital textbooks again.

This book is fine for my 2016 Business Law class- I did not need the 9th edition. I didn't have online HW, so I did not need an overpriced access code, either.

School??

I love this book because it's easy to read. The language is plain and the case is short. My instructor is a judge and he loves plain language too!

Fair warning: If you have Windows 8, and therefore Kindle for Windows 8, this format isn't compatible and you will have to download the older version of Kindle for PC or else use an actual kindle.

This book saved me from paying an arm and a leg through the school's website!
