ISBN-13: 978-1591951056

Product Dimensions: 0.8 x 8.8 x 10.8 inches

Shipping Weight: 2 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #685,243 in Books (See Top 100 in Books) #131 in [Books > Medical Books](#) > [Dentistry > Dental Hygiene](#) #212 in [Books > Textbooks > Medicine & Health Sciences > Dentistry > General](#) #382 in [Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Diseases](#)

Customer Reviews

This book is very useful. I have three books for my oral pathology class, and this is the only book I look at. Great book and great price.

Perfect book that breaks it down easily

This is one of the best oral path books I've seen before along with oral hard tissue diseases from the same authors. It doesn't ramble endlessly with millions of different topics about one disease. It gets to the point in very concise manner and tells you what's really needed for preliminary diagnosis making. Must-have in my opinion.
