# Dolan's Cadillac: And Other Stories

## Synopsis

Stephen King's unparalleled imagination is in full force in this collection of four unabridged short stories originally found in the classic, *Nightmares & Dreamscapes*. An all-star cast of readers bring to life these timeless stories from the darkest places, including the tale *Dolan's Cadillac*: soon to be a feature film starring Christian Slater, Wes Bentley, and Emmanuelle Vaugier. A widowed husband spends seven years plotting revenge for his wife's murder in *Dolan's Cadillac*. A school teacher discovers her students are not what they seem in *Suffer the Little Children*. In *Crouch End*, a woman fears that supernatural events may have led to her husband's disappearance. And in *Rainy Season*, a young couple is forced into the ultimate battle of Man vs. Nature when torrential rain turns deadly. Rob Lowe, Whoopi Goldberg, Tim Curry, and Yeardley Smith lend their voices to this haunting collection of classic stories that no Stephen King fan should be without.

## Customer Reviews

These four unabridged mini-chillers culled from King's 1993 short story collection, *Nightmares & Dreamscapes*, provide their celebrity readers with the chance to show off a different, darker side. Whoopi Goldberg delivers a crisp, straightforward rendition of *Suffer Little Children* that pits an aging teacher against a class she fears is being possessed by monsters. Tim Curry sheds his trademark arch tone to play *Crouch End* solemnly and sympathetically. And in the book's best surprise, Rob Lowe's rendition of the title story wrings every ounce of suspense from the grim revenge yarn. The only clunker is Yeardley Smith's reading of *Rainy Season*; her childlike nasal voice, so marvelous when playing TV's animated Lisa Simpson, is completely at odds with the

material. (June) Copyright © Reed Business Information, a division of Reed Elsevier Inc. All rights reserved.

this is the first collection of short stories from Stephen King's 1993 nightmares and dreamscapes novel. It features Dolan's Cadillac, Suffer the Little Children which is kind of a modern day village of the damned, and Crouch End which is set in England about a woman's husband who disappears... very creepy collection. However, these are not all the stories from Nightmares and Dreamscapes. I suggest buying the entire novel of Stephen King's Nightmares and Dreamscapes.

I have read this short story many times over the years and each time I enjoy it a little more. I love stories of revenge and this is Stephen King at his finest. He brings you into the mind and misery of this man and rallies you around his efforts and success for justice. I implore you to read this whenever you get the opportunity. I think it is by far one of the best stories he has ever written.

I have just started getting these audio books and boy I can say I love all Stephen's books. They do go by fast when listened to rather than read. I work about twelve hours a day and the radio plays all the

same songs and talk radio does not last that long so I got books to listen too and I'm glad I did I will order more

very typical Stephen King, good short stories and in this case great listening while driving

As a Stephen King fan for years I'm looking forward to enjoying this.

Dolan's Cadillac was the best story of the group of course. Thoroughly enjoyed hearing the stories I'd read years ago.

Always enjoy this type book.

This is probably one of the best Steven King has written and it's a short story, Dolan's Cadillac. It was GREAT, I LOVED IT! Can't always say that as I do TRULY enjoy his books but THIS ONE was the best ever in my view. An Older one but Awesome. He is an amazing writer. This one is NOT creepy as some are, I say get it and make your own decision....
