We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Nice arrangements of a good selection of songs. The tunes are in a good range for soprano uke if you feel like playing more than just the chords. Very difficult to read Kindle edition on most screens simply because of the size, so you might have to find a workaround.

The music is perfect for a beginner or intermediate. There are many Christmas favorites included. The only one that I would like to have had, but is not included, is Jingle Bells. Other than that, I give it five stars.

I was able to play these songs for the season.
