# Security Supervision And Management, Fourth Edition: Theory And Practice Of Asset Protection

## Synopsis

Security Supervision and Management, Fourth Edition, fills the basic training needs for security professionals who want to move into supervisory or managerial positions. Covering everything needed from how to work with today's generation security force employees to the latest advances in the security industry, Security Supervision and Management, Fourth Edition, shows security officers how to become a more efficient and well-rounded security professional. Security Supervision and Management, Fourth Edition, is also the only text needed to prepare for the Certified in Security Supervision and Management (CSSM) designation offered by International Foundation for Protection Officers (IFPO). The IFPO also publishes The Professional Protection Officer: Practical Security Strategies and Emerging Trends, now in its 8th edition. Core text for completing the Security Supervision and Management Program/Certified in Security Supervision and Management (CSSM) designation offered by IFPO. Contributions from more than 50 experienced security professionals in a single volume. Completely updated to reflect the latest procedural and technological changes in the security industry. Conforms to ANSI/ASIS standards.

## Customer Reviews

"One of its primary functions is to serve as the study guide for the credential Certified in Security Supervision and Management (CSSM), offered by the International Foundation for Protection Officers (IFPO)...This weighty textbook well serves the experienced security professional, the security department director or manager, the security specialist, and the security student." --Security Management, Security Supervision and Management, Fourth Edition "...it's a book to dip

into if you are interested in any number of topics, from report writing (again, the supervisor plays an important part here) to vehicle searches (Ã¢â¬âa legally complex activityÃ¢â¬â)."

--Professional Security Magazine Online

The International Foundation for Protection Officers (IFPO), headquartered in Naples, FL, was developed to facilitate the training and certification needs of first-time security officers and supervisors throughout the private and public security industry. It was registered as a nonprofit organization in January 1998, with offices in the United States and Canada. The Foundation works with corporations, colleges and protection professionals to develop professional growth opportunities for students and career security professionals. IFPO publications include The Protection Officer Training Manual, now in its 7th edition, and Security Supervision and Management: The Theory and Practice of Asset Protection. Sandi J Davies has served as the Executive Director of the International Foundation for Protection Officers (IFPO) for more than 25 years. She is the former Chairperson of the Security Services Council for ASIS International, and is currently a member of the Security Services Council and the Women In Security Council of ASIS International. Sandi has edited eight editions of The Professional Protection Officer, as well as all four editions of Security Supervision: Theory and Practice of Asset Protection.
