ROBIN JONES GUNN

## Synopsis

The first nine books in the popular Christy Miller series are now available in three treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years... Christy Is a Forever Friend True Friends What is a true friend? Christy Miller knows she has two of them: Todd and Katie. To show how much she appreciates them, she writes to Todd, who's off surfing in Hawaii, and she agrees to join the ski club with Katie—even though she's scared of skiing! Fortunately, Christy and Katie can laugh as they bumble their way around the bunny slopes at Lake Tahoe. But Christy finds herself caught between new friends and her loyalty to Katie. Will Christy find a way to be a true friend when it counts most? And will she ever hear from Todd? Starry Night It's Christmastime, and Christy Miller has so much going on: family time, work, and maybe, just maybe, going to the Rose Bowl Parade with a bunch of friends. If only she could answer Uncle Bob's tough questions. Todd's buddy Doug gives her some insight, and she starts to appreciate him in a whole new way. Rick Doyle shows up again...but is he pursuing Christy or the cutest elf at the mall? Through it all, will Christy find someone special to count the stars with? Seventeen Wishes It's summer, and that means the beach and other adventures. And Christy Miller's best friend, Katie, is always full of ideas. They'll be camp counselors! But when Katie can't go, Christy is bewildered and overwhelmed by her fifth-grade girls, who have boundless energy for anything except what Christy wants them to do. Do they even hear a word she says? Soon they're playing matchmaker between Christy and Jaeson, a handsome counselor...and he doesn't seem to mind. When Christy's seventeenth birthday arrives later in the summer, just what will she be wishing for? Story Behind the Book—The Christy Miller series was actually born when a group of thirteen-year-olds

challenged me to write a novel. I'd been questioning the content of their favorite books when they said, "Why don't you write a book for us?" I told them no, I only wrote picture books. But they persisted: "How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach." And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!

## Customer Reviews

I bought this book for my daughter whose in middle school. She has already read volumes 1 & 2. She can read through these fairly thick books in a couple of weeks - and she's not much of a reader. She really enjoys them. It has enough "romance" to keep a teen girl interested without being over the top.

The Christy Miller series is timeless. Great for teens of any era. A peer of mine relayed how her girls growing up in the 90's shared the series with each other. I have encouraged my 15 year old grand daughter to do the same. Thank you Robin Gunn for continuing to have a positive influence on teens of today.

If you haven't purchased the entire series, you really should. This series is so good. I read them as a kid and now my daughter is reading them. I don't have to worry what subject matter will come up and if it will be appropriate for my 12 year old. They are good, clean books that talk about real life situations, but the character handles the issues with integrity and high morals.

Best books ever! I read this whole book, which is a series of 3 books in 1, in one month! Addictive!

I read these books for the first time probably ten years ago today. I'm almost 27 and these books still set an example for my life. I definitely recommend these books to any young adult who enjoys a great story line with someone they can relate. I'll never forget these books and will always come back to them for several more reads in the future.

This was for my daughter and she loves the series

My 12 year old loves this series! Well written love story and wholesome compared to what other books are popular for this age group

Just what I expected!
