# Daniel In The Lions' Den: The Brick Bible For Kids

## Synopsis

Daniel has been ordered, along with the other subjects of King Darius's Persian Empire, to pray to no other god or man but the king for a whole month. But Daniel continues to pray to God, ignoring the official edict and making King Darius quite mad. Determined to see Daniel pay for not following his new rule, the king has him thrown into a den of ferocious lions, where he is sure to be eaten. But the next morning, when onlookers come to roll away the stone sealing the den and to see what's become of the prophet, they find Daniel completely unharmed! The story of Daniel and the lions is a powerful story of unalterable faith in God. Now, for the first time, this incredible story comes to life as part of The Brick Bible for Kids series. Enjoy reading one of the Bible's more miraculous stories illustrated in LEGO as a family. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers; picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

## Customer Reviews

Brendan Powell Smith is the author of three books in The Brick Bible for Kids series: Noah's Ark, The Christmas Story, and David and Goliath. Smith is also the author of books for adults, including The Brick Bible series and has produced over five thousand illustrations retelling more than four hundred stories from the Bible. He lives near Mountain View, California.

All of Brendan Powell Smith's Brick Bible books are amazing! We love the big editions, but these small stories are perfect for younger children. This one is a particular treasure. You will not be disappointed.

My grandkids love all of the Brick Bible for Kids books. I'm sure they'll love this one too when they get it for Christmas.

awesome

WARNING: A mockery of the Bible, and was not created to be accurate at all. Read more of the reviews, especially the ones who left a 1 star. Not the Bible in context AT ALL. None of the stories were told accurately according to the original Bible. While reading the book, you will see that the author intentionally skewed the stories and the characters. Including whom Jesus is. I was tremendously disappointed by this production. I thought it was even praise worthy at first, until I opened the book to the FIRST PAGE. God was immediately depicted as an angry old man. He even held a knife a few pages in (WHERE WAS THIS EVER MENTIONED in the Bible?) Almost the entire book is graphic, filled with stories taken out of context and with characters fighting/slaughtering each other. This production (along with his other books) are a direct attack on the Bible and the Christian faith. There is nothing more to say about this, but really, it's time for this author to move on to bigger things in his life. The target audience that the author wants to captivate (and mislead) are children and adults who don't know the Bible, Christ, and God the Father. Please be aware of this.

This book is NOT for children; it is NOT even for Christians. It did not surprise me to discover that the author is a self-proclaimed atheist. His choice of what parts of the Bible to emphasize (especially his poor choices of Old Testament themes), and the images he chooses to portray these stories

include large amounts of bloodshed, fire and brimstone, and sexual innuendo, which vividly undermine the Christian message of an all-Loving God who redeems His people through the story of Salvation History. I purchased this book as a present for my children. After pre-reading it, however, I plan to try to return it to the bookseller, and, if they will not refund my money, I plan to throw it in the TRASH. My husband and I both have theology degrees, and we know the message that God wants to give each person through His sacred Word. These books do not deliver this message. The Old Testament book, in particular, is horrendous in its choice of images; I would not suggest any person, least of all a child, read it. The New Testament book is mostly acceptable, except that the last third of it is taken up by vividly grotesque depictions of the Book of Revelation. May God's Love, the Holy Spirit, enlighten Mr. Smith's heart and all those who read this.
