Hell's Kitchen debuted on Fox in 2005 and is now in its fourteenth season. It is produced by ITV Studios America in association with A. Smith & Co. Productions, Inc. Arthur Smith, Kent Weed and Gordon Ramsay serve as executive producers.

I LOVE this book! I have already made a couple recipes and they turned out amazing! This makes a great Christmas present too!

Fantastic! I love it. Very basic instructions, how to set up kitchen, pantry, what equipment your kitchen should have. I am an experience cook I believe its a good teaching book. It helps to know

how to cook but a beginner may have a hard time with the recipes at first but its a good teaching book. Just follow what he says.

Great purchase for my wife for Christmas! It's working out great as she has made three recipes in the first week! She did say the recipes are pretty complex, not 5 minute jobs like you see on the TV show. There are pictures of the contestants throughout the book but none of Ramsay, I can see they had license to use Hell's Kitchen but maybe not Ramsey's image?

I bought this as a gift for my son in law, he's a big Gordon Ramsey fan, and he loved it. The book itself was so much better quality then I expected. It was quite beautiful.

I love this cookbook, inspires me to try new recipes, love the Carbonara recipe!

The recipes in this book are awesome and easy to do. My wife turned bland store bought pork chops into awesomeness by following their recipe. If you like food, get this!!

I love this cookbook, it has favorite recipes from Hell's Kithcen, obviously. The recipes are really very good, and make it easy to adapt them to your families and your own taste, by removing things you like or replacing them with something you do like or just adjust it to your own taste.

Good
