Designed for easier writing & reading: The pages are designed as composition notebook with Wide ruled (or so-called Legal ruled), which has 11/32 in (8.7 mm) spacing between horizontal lines and a vertical margin drawn 1 1/4 inches (32 mm) from the left-hand edge. The spaces are therefore big enough for any writers, including senior and younger writers. All the lines are also in dark grey, instead of pure black, so they are easier on the eyes and less distracting while writing and reading. Moreover, on top and bottom of every page, there are blank spaces of as much as 1 inch tall each to provide airy feel and so that the written letters won't be too cluttered to read, while the space can wisely accommodate foot notes if need be! Reliable standards: Book industry perfect binding (the same standard binding as the books in your local library). Tough matte paperback. Crisp white paper, with quality that minimizes ink bleed-through. The book is great for either pen or pencil users. It is a good quality notebook that would make your writing easier and keep your valuable works with you longer! Functional size: With the dimension of 8.5" x 11" (21.6 x 28 cm), "Christian Large Journal Notebook" is just about the size of an A4 paper and so it can accommodate well any inserts you may have temporarily, and it can also fit any bags that fit A4 paper. Designed for comprehensive note-taking, this book has as many as 200 pages; therefore, you can rest assured it won't be too soon you run out of space to write. And, once you do, the book has two places (one at the front cover, and the other at the spine) that you can easily write your personal book volume numbers, which would allow you to seamlessly continue on the next "Christian Large Journal Notebook", available always on websites and leading book stores, without any disruption! Stay organized: Every page in the book has its page number printed at the bottom, so, optionally, you can have the first page as your personal Table of Contents where you can list all topics in the book with their relevant page numbers for easy browsing and so you can find information you look for later, in no time! The table of contents also allows you to plan & write in chapters or take sequential notes. Moreover, when filled with your personal volume numbers at the spine, the book can be stored chronologically and

looked up easily on shelf, alongside other spiritual books that you have, to develop the complete one-and-only collection of the works that you can surely be proud of!
