Best Sellers Rank: #532,833 in Books (See Top 100 in Books) #188 in Books > Sports & Outdoors > Individual Sports > Tennis #221 in Books > Sports & Outdoors > Racket Sports

## **Customer Reviews**

USTA stands for United States Tennis Association, a not-for-profit organization and the national governing body for the sport of tennis. They are the recognized leader in promoting and developing the sport's growth on every level in the United States, from local communities to the crown jewel of the professional game, the U.S. Open. They are based in White Plains, New York.

Most people on the court do not carry one of these. I am glad to have it. It appears to have all the info I was looking for, although I was originally looking for the USTA Friend of the Court 2017 edition. As far as I can determine, the full rulebook is only available to download/print from the USTA website and is 230 pages. Another reviewer mentioned that the book does not have an index - it does, however, have a table of contents which seems adequate for my purposes.

Not what I was expecting. This book just provides a very basic look at the game of tennis. Does not

include a more comprehensive look at the actual rules of the game. For that one needs to obtain the "USTA Friends of Court" handbook.

This is a fabulous tennis bag resource for the inexperienced tennis play. It's a small, portable paperback that is packed with all the information you need to know. Effectively organized and referenced, many of the commonly asked questions, such as rules during a set and match tie breaker, are clearly written.

nice gift

I'm a tennis team captain, and this USTA handbook is perfect for settling arguments that come up on the courts.

Love this book. The size is great for carrying in tennis bag. Have used it a lot when team has questions about rules.

A handy book to keep in your tennis bag. I was able to use it as a reference a few times this tennis season.

Who wouldn't love rules of tennis??? I keep it in my tennis bag for quick reference.
