Awesome Animal Hats! Every single hat is a winner. They are very unique and just adorable. The

instructions are clearly written and the fit is good. The hats are crocheted in the round using standard worsted weight yarn and they work up quickly. Lots of excellent photos and wonderful designs. -- Olive's Mom

Correction to Shark Hat: Dear Crocheters, in the original version of this book, the Ear Flap instructions were missing for the Shark Hat. Please note that the Ear Flaps are crocheted the same for every ear-flap hat. Simply follow the instructions for marking the location and working any ear flaps, for example, see page 27 for the Flamingo. The book has now been corrected. Updated versions can be identified on the back of the Title Page as Edition 2.0.

hat patterns are adorable I would give that a 5 star. My problem is the gage is off. all patterns call for 2 strands of worsted weight yarn and a J hook. I have crocheted for years and have never had a problem being right on with the gage. but even though patterns are easy to follow and my crochet tension has always been spot on I find that these patterns must have been written with single strand of yarn instead. Have restarted many times and am now using 2 strands of yarn with a G hook and just about have gage on but then hat is too stiff. not sure if weight of yarn should be a 3 or just crochet with 1 strand.

These are adorable hats that have easy to follow directions to make in 3 sizes. You can also choose which ear flap design you prefer: plain ear flap, ear flap with scarf or ear flap with a twisted cord tie. I love the choices: cat, dog, octopus, rhino, flamingo, turtle, lion, owl, tiger, penguin, shark, bald eagle, ladybug, snow leopard, rabbit, frog, mallard, sheep, bee and bear. Best crochet book I have seen. Lots of pictures so you can see as you go how you are doing.

I have had so much fun making these, everyone so far has loved them!
