Product Dimensions: 1 x 8.5 x 10.5 inches

Shipping Weight: 2.7 pounds

Average Customer Review: 5.0 out of 5 stars 3 customer reviews

Best Sellers Rank: #2,429,409 in Books (See Top 100 in Books) #31 in [Books > Travel > United States > Colorado > Colorado Springs](#) #9220 in [Books > Travel > Travel Writing](#) #53948 in [Books > History > Americas > United States > State & Local](#)

Customer Reviews

Book by John Haley

Haven't read the whole book, but what I have read is very interesting.

Haley's book on Glenwood Canyon is extremely well-written, attractively illustrated, and exhaustively researched. He does an excellent job of detailing the design and engineering problems, the concerns of the environmentalists, the personalities of the myriad individuals and organizations that provided input during the planning and construction process. Finally, he shows the reader the engineering marvel that is Interstate 70 through Glenwood Canyon.

I very much enjoyed the technical information and the more human aspects also included. I would have enjoyed more pictures but I know it is already a large volume. It is worth taking with you if you plan to travel the canyon. One can more fully appreciate the beauty and struggle that went on in the building of the highway.
