I'm Not Hanging Noodles On Your Ears And Other Intriguing Idioms From Around The World

Synopsis

"IÃ¢â¬âm not hanging noodles on your ears." In Moscow, this curious, engagingly colorful assertion is common parlance, but unless youÃ¢â¬âre Russian your reaction is probably "Say what?" The same idea in English is equally odd: "IÃ¢â¬âm not pulling your leg." Both mean: Believe me. As author Jag Bhalla demonstrates, these amusing, often hilarious phrases provide a unique perspective on how different cultures perceive and describe the world. Organized by themeÃ¢â¬â food, love, romance, and many moreÃ¢â¬â they embody cultural traditions and attitudes, capture linguistic nuance, and shed fascinating light on "the whole ball of wax." For example, when English-speakers are hard at work, weÃ¢â¬âre "nose to the grindstone," but industrious Chinese toil "with liver and brains spilled on the ground" and busy Indians have "no time to die." If youÃ¢â¬âre already fluent in 10 languages, you probably wonÃ¢â¬ât need this book, but youÃ¢â¬âll "get a kick out of it" anyhow; for the rest of us, itÃ¢â¬âs a must. Either way, this surprising, often thought-provoking little tome is gift-friendly in appearance, a perfect impulse buy for word lovers, travelers, and anyone else who enjoys looking at life in a riotous, unusual way. And weÃ¢â¬âre not hanging noodles from your ear.

Book Information

Paperback: 272 pages

Publisher: National Geographic; Original edition (June 16, 2009)

Language: English

ISBN-10: 1426204582

ISBN-13: 978-1426204586

Customer Reviews

An "amusing look at cultural similarities"Ã¢â¬â Will Safire, New York Times "A delightful celebration of the wit, insight, and poetic genius to be found in everyday language" Ã¢â¬â Steven

Pinker, Harvard University Professor and author of The Stuff of Thought

Jag Bhalla is an amateur idiomologist, amateur inventor, amateur entrepreneur, amateur film maker, and now amateur author.

Seller was excellent. Physical book perfect. Book content is only OK, no fault of seller.

Jag Bhalla's I'm Not Hanging Noodles on Your Ear is one of those rare types of books that can be read for pure enjoyment or for knowledge about how other cultures and countries express themselves. For those who would like a few fun facts with which to amaze their friends, this is the book for you. Or for those who would like a basic, generalized introduction to the subject, this book is a great starting point. I greatly enjoyed reading this book. My only quibble is that I sometimes found myself wishing for more in-depth explanations at several points in the book.

Interesting read. Plan to re-sell.

This book is just plain fun! If you love language as I do, you'll find it very enjoyable. As a native English speaker who has studied Latin, French, and Spanish, seeing how (literally) foreign cultures express themselves in metaphor and idiom is fascinating. If non-English speakers find our English idioms as strange as I/we find theirs, no wonder English is so difficult to master. Highly recommended!

interesting!

I agree with the earlier reviewer who criticized the author's inexplicable failure to include these intriguing and colorful expressions in their original languages. The concept is delightful, but the execution is substantially less interesting than it otherwise would have been, and it seems condescending to the reader.

Funny!

very interesting and very weird!!
