Customer Reviews

Received on time...Coins fit a little tight in some of the circular slots, you get what you pay for.
Would recommend.

Still a good product and an old favorite. The coin spots are and always have been a bit tight but they certainly won't fall out. This book is very handy and nice for all ages.

I am very happy to have found this product on . My 9 year old son has recently gotten really in to collecting coins. He has now moved up to kennedy half dollars. I couldn't find this particular book in any of our local spots...not at Barnes and Nobles, Michaels Craft Store, or the coin shop. He is a happy kiddo now. Thanks!
