Thrift Wars [Updated Fall 2016]: A Battle-Tested Internet Business Plan: Find Hidden Thrift Stores Treasure And Sell On , EBay And Etsy For Huge ... Online Arbitrage (Almost Free Money Book 8)

Synopsis

Limited Time 40% Off Sale! *Thrift Wars* is the first book to provide instruction on all aspects of building a successful online home business selling books, vintage collectibles and selling used clothes and other products on multiple internet platforms from the comfort of your own home. Complete primers on internet selling and retail arbitrage can cost up to \$200. After all, why would a successful thrift shop reseller tell competitors instructions how to build profitable shop in their own niches for cheap? They wouldn't, right? Well, I have been a successful seller on , eBay and Etsy for years, but I have recently transitioned to providing help for aspiring online business owners, so I have no reservations about telling you exactly how to find the most profitable sales items at second hand stores and sell them online for high profit margins - for less than the cost of a cup of coffee. As soon as you sell one additional inventory item, this book pays for itself! *Thrift Wars* offers a unique combination of the most important tips for building your profitable online home business: The first complete guide to reselling thrift store items using internet arbitrage - illustrated with actual thrift shop treasure found hidden on the shelves of Goodwill and Salvation Army and the prices the items were sold for online. Learn how to process a thrift shop like a professional and locate the most profitable resale items. Learn how to determine which online platform you should sell your items on for maximum profit. Learn which affordable tools can make you a more efficient thrift store flipper. Learn how to diversify your online sales across multiple internet sites by learning how to sell on , in addition to selling on eBay and Etsy. 90% of your competition sells on only one platform. Blow them out of the water by using the unique benefits each platform provides to the thrift store flipper. Learn how to sell something on , including instructions on how to sell textbooks to . Learn the pros and cons of selling used books, media, CDs and video games on FBA. Tips for eBay buying and selling, including selling used clothes and vintage clothing on eBay. Swipe precious metal treasure like gold jewelry and sterling silver items from right under the noses of your competition. Learn how to build a great Etsy shop for selling vintage and retro items - includes Etsy SEO and Social Media for Etsy. You've heard the stories of people that sell \$2,000-10,000 a month worth of goods found at second hand stores. Many of these stories are true! With a little bit of research (reading *Thrift Wars* is an excellent start) and some hard work, you too could easily expect to earn comparable monthly revenues. Don't wait for your competitors to catch up. Please scroll up and Order Now.

Customer Reviews

I have read several books by Eric Michael and I keep coming back because he knows his stuff. He has done it. *Thrift Wars: A Battle-Tested Internet Business Plan: Find Hidden Thrift Stores Treasure and Sell on eBay and Etsy for Huge Profits with Online Arbitrage (Almost Free Money Book 8)* by Eric Michael does just what it says: it is lengthy but appropriate title says, it teaches you how to find the items in thrift shops that can be used to build a passive income. He also shows how to list and sell online, and a bunch of other money-making tips. Recommended (along with his other books, too). Five stars.

I loved this book! First, the Star Wars "Thrift Wars" theme is awesome - it makes the book light and full of humor while discussing a serious business: Thrift Store Flipping. The book is concise and full of step-by-step instructions and examples on how to get your business off the ground, pointed in the right direction, and off-and-running. If you've ever thought about taking on this type of venture, this book is for you! I know I will be referring to it when I start doing my own Stars Wars Thrift Wars

Flipping! Excellent and well-worth the money. Hope there are more books to come!

The book covers how to sell on eBay, , and Etsy. It gives practical advice on the pros and cons of each online selling platform. I found the information to be very useful and will use it to sell items on these sites. It even goes into establishing payment options, shipping items, setting up a professional shop with policies, etc. This is a useful guide for anyone who is a novice to selling online and for those who may need to enhance their online shops presence to sell more products.

This had a lot of information packed into a quick read. Some I already knew, some I had forgotten. Just a great beginning tool. And I say that loosely because I am still learning and have been selling on eBay for 2-3 years weekly. I'm always looking to get a leg up on my competition.

As a seller that did well in the early part of this century that has not been participating for a good ten years this was a great refresher into how selling things online has changed since then. Thanks Eric!

I've bought other books from Eric before, happy with all of them. For someone just getting started, this book is good, it has become more competitive in the past 18 months and without a plan, you will definitely struggle.

Great book and very informative! Mr. Michael writes in a style that is enjoyable to read; straight to the point and based on common sense. He also includes so many helpful details and tips. I highly recommend the book for someone trying to get into this type of business.

I was amazed at the knowledge Eric Michael has, not Justin FBA but eBay, Etsy, and Craig's List. I'm trying to take my business to . The next level and Eric's book will surely help. I also like the list of what to take with you when sourcing. Going from memory I think the list should include government papers proving you're reselling so a thrift shop or other store won't charge sales tax. Again, great book.
