This book is fantastic! This is the only study guide that I used to study for the PHR exam and after three weeks of study, I passed the exam on the first try. The CD that accompanied the study guide was also an excellent tool to judge my knowledge as I studied each chapter. I highly recommend it to anyone preparing for the PHR certification.

Used this program to prepare for the SHRM-SCP and it was very comprehensive. Easy to work through and good test questions.

Used this to pass the PHR.

Used this book and only this book to study for my SHRM-SCP and passed!

Well written

Having problems downloading and opening the CD.
