## Synopsis

We all love a good story. But the parables of Jesus are even better than that. They sneak up on us, catching us off guard and toppling our easy assumptions. When the familiar takes an unexpected twist, we find our secret thoughts exposed to the healing light of Jesus. This Bible study introduces twelve of the greatest stories ever told; how might they change your thoughts and actions?

John White was born in Liverpool, England, on March 5, 1924, and grew up in Manchester. After serving as a reconnaissance photographer in the Fleet Air Arms during World War II, he completed medical training at Manchester University. He later participated in a variety of short-term missions efforts (including Bible smuggling!) and capitalized on many opportunities to encourage Christians behind the Iron Curtain during the beginning of the Cold War. On June 25, 1955, White married Laureate May O'Hara. From 1955 to 1964 he served as a medical missionary with New Tribes Mission. Later he was appointed associate general secretary of the International Fellowship of Evangelical Students of Latin America. White emigrated to Canada with his family in 1965 and later completed his residency in psychiatry in Winnipeg, Manitoba. He next filled the post of associate professor of psychiatry at the University of Manitoba and also served locally as pastor of Church of the Way. He wrote 25 books as well as numerous articles and study guides. A much sought-after speaker, he lectured around the world at churches, conferences and leadership events. During his

later life, White moved to Vancouver, British Columbia, helping to plant a Vineyard church there (Surrey Vineyard) and becoming involved in the larger Vineyard Christian Fellowship. John White died in 2002, but his written ministry lives on, with over 1.5 million of his books in print.

I didn't realize that this was used. However not a problem. It was minimal marks and cant wait to read about the different parables.

Very little content of meat.

Very good for small group study. The questions really make you think about yourself and what Jesus would say to us today.

This book has proven to be more than worth the price. It has become a daily tool for me. The class loves the exercises in ti.

Just started a bible study on it. It improved my understanding of the parable of the sower, though I've read it many times. I look forward to our next meeting.

We are using this as a Sunday School study. We are just on the first of 12 lessons. Seems to be very good. This is the 6th of these studies we have done. All have been very interesting.

This study's author uses many ambiguous questions to get the point across. The material is good, but the questions are often irrelevant. I feel that a study should allow the reader/participant to come away with application from the study for everyday living and I think that the study fails to do this.
