Connect 1 Semester Access Card For Fundamentals Of Financial Accounting

Synopsis

McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following:

- SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content.
- Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
- Progress dashboards that quickly show how you are performing on your assignments and tips for improvement.
- The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Complete system requirements to use Connect can be found [here](#):

Customer Reviews

Patricia Libby is Chair of the Department of Accounting and Associate Professor of Accounting at Ithaca College, where she teaches the undergraduate financial accounting course. She previously taught graduate and undergraduate financial accounting at Eastern Michigan University and the University of Texas. Before entering academe, she was an auditor with Price Waterhouse (now PricewaterhouseCoopers) and a financial administrator at the University of Chicago. She received her B.S. from Pennsylvania State University, her M.B.A. from DePaul University, and her Ph.D. from the University of Michigan; she is also a CPA. Pat conducts research on using cases in the

introductory course and other parts of the accounting curriculum. She has published articles in The Accounting Review, Issues in Accounting Education, and The Michigan CPA. She has also conducted seminars nation-wide on active learning strategies, including cooperative learning methods. Robert Libby is the David A. Thomas Professor of Accounting and Accounting Area Coordinator at Cornell University, where he teaches the introductory financial accounting course. He previously taught at the University of Illinois, Pennsylvania State University, the University of Texas at Austin, the University of Chicago, and the University of Michigan. He received his BS from Pennsylvania State University and his MAS and PhD from the University of Illinois; he also successfully completed the CPA exam (Illinois). Bob was selected as the AAA Outstanding Educator in 2000 and received the AAA Outstanding Service Award in 2006 and the AAA Notable Contributions to the Literature Award in 1985 and 1996. He has received the Core Faculty Teaching Award multiple times at Cornell. Bob is a widely published author and researcher specializing in behavioral accounting. He has published numerous articles in The Accounting Review; Journal of Accounting Research; Accounting, Organizations, and Society; and other accounting journals. He has held a variety of offices including vice president, in the American Accounting Association, and he is a member of the American Institute of CPAs and the editorial boards of The Accounting Review and Accounting, Organizations, and Society. Fred Phillips is a professor and the George C. Baxter Scholar at the University of Saskatchewan, where he teaches introductory financial accounting. He also has taught introductory accounting at the University of Texas at Austin and the University of Manitoba. Fred has an undergraduate accounting degree, a CPA, CA (Canada), and a PhD from the University of Texas at Austin. He previously worked as an audit manager at KPMG. Fred's main career interest is accounting education. He has been recognized with more than 26 awards, as chosen by his students and peers. In 2006, Fred was awarded the title Master Teacher at the University of Saskatchewan. In 2011, he was admitted to the 3M National Teaching Fellowship, the highest honor for undergraduate teaching in Canada. In 2012, Fred received the L. S. Rosen Outstanding Educator Award, the American Accounting Association's Innovation in Auditing and Assurance Education Award, and the American Accounting Association's Award for Outstanding Research in Accounting Education. Most recently, he received the Edwards MPAcc Teaching Effectiveness Award and, for the third time in his career, the University of Saskatchewan Student Union's Teaching Excellence Award. His peer-reviewed publications include education-focused research and instructional cases in Issues in Accounting Education, as well as professional judgment studies in Journal of Accounting Research and Organizational Behavior and Human Decision Processes, among others. Fred is a current

member of the Teaching, Curriculum, & Learning and Two-Year College sections of the American Accounting Association. In his spare time, he likes to play tennis, drink iced cappuccinos, and relax with his family.
