## Customer Reviews

Loved this book about six young ladies traveling to Bodie to find a husband. The Preacher and wife took them in as the town was wild. The Preacher's wife was introducing the girls to available men since the stage coach driver was killed and they had no way to travel. A must read for those who enjoy historical western romance kindle books from at a special price and from a delightful author who keeps me wondering what next for the characters.

This was not much of a book. It had no ending and expected more books to be purchased to be able to keep own the outcome.
