Limericks From The Earth: All Things Lusty, Flirty, Bawdy & Naughty

Synopsis

Limericks From The Earth is a book of earthy limericks (surprise!). The language is clever, interesting, original, and not vulgar, crude or too serious. The tone is light, but still covers much of the same territory that many earlier limericks covered – namely the activities of people pursuing sensual and erotic activities. It's meant to be an enlightened and fun, not obscene or pornographic picture of our mating practices.

Customer Reviews

A fun romp on the "lusty" side of life! Jack has a gift for the rhyme - must be Irish at heart. Well done!

Are you in the mood for a smile, a smirk, or a smidgen of naughtiness? Then this book is for you. It's filled with silly sensualness, raunchy rhymes, and positively picket-able poetry. The author is bound and determined to get you to laugh – or at least to get your face to turn fifty shades of red. It's a riot!
