Priscilla Shirer is a homemade cinnamon-roll baker, Bible teacher, and bestselling author who didn't know her books (The Resolution For Women and Fervent) were on The New York Times Best Seller list until somebody else told her. Because who has time to check such things while raising three rapidly growing sons? When she and Jerry, her husband of sixteen years, are not busy leading Going Beyond Ministries, they spend most of their time cleaning up after and trying to satisfy the appetites of these guys. And that is what first drove Priscilla to dream up this fictional story about the very un-fictional topic of spiritual warfare—to help raise up a new generation of Prince Warriors under her roof. And under yours.

This series is EXCELLENT. I hope Priscilla Shirer is writing another book series right now! She has restored hope that quality literature is being published after 2000. Intriguing, suspenseful plots with endearing characters draws my 10, 8 year-old and I to talk and wonder about what will happen next while walking home from the bus stop. We quickly get ready for school in the mornings so we can read waiting at the bus stop. Before night-time Bible studies, we eagerly settle in to read more... Just starting book 3 tonight, we hope that there are more high quality books like these to devour as a family!

My 7-year-old reads on a middle school level and it is difficult to find books for him that are on his reading level and still contain appropriate subject matter. He has devoured these books. He repeatedly tells me about Ahoratos and how wonderful it is. I even read the first book in the series and LOVED it. Priscilla Shirer has done an awesome job providing us with Christian fantasy that is well suited for boys who crave adventure. I certainly hope that we see more books from her!

Most awesome series! Says for ages up to 11 - I'm 55 and loved reading them with my 80 year-old mother. The biblical truths shared throughout the book are well used. Just wish there were more than 3 books in the series!

A series of books for any young person. Comes in a series of 3 books.

We were elated to find a book like this for boys! Our son ate up the entire series in a matter of days. Only drawback is he wants more but there are only three books ;)

I am a ten year old boy who enjoyed reading all three books. This is about putting on the armor of salvation and trusting in God who is always in control.

I think this is Priscilla's best fictional book yet. Of the trilogy this is the best written book of the three. Riveting read.

This is by far my kids most favorite set of books!! They can't wait for each new sequel to come out. Though I wish it was more rich in vocabulary and more poetic in nature, it is a page turner with allegories to the bible. I love that there is such a great Christian series that my kids can be so

engaged in and be excited about. The next book can't be printed fast enough!
