He is the author or coauthor of more than 50 books and hosts a weekly radio program. Josh and his wife, Dottie, have four children and live in Dallas, Texas where the Josh McDowell Ministry is based. KEVIN JOHNSON is the author of more than a dozen books for youth. Well-known to young people and youth workers nationwide, he is a full-time author and speaker. Kevin lives in Minnesota with his wife, Lyn, and their three children.

I am doing a one on one with a teenager who needs a little guidance. I add some verses but this book is a good start for discussing those things that need to be discussed.

I absolutely love this book and so do my teens.

Perfect for what I needed.

Great Item

This book is truly one of the best books I have ever read. I have a somewhat busy schedule, but as soon as I had an open day, I sat down and read the remainder of the book I had left. That is how thrilling this book is! This book is so inspiring to me, and it really makes me consider what God wants me to do with my life. The main two ideas of this book are what McDowell (the author) calls "God's Universal Will" (for everyone) and "God's Specific Will" (for each person individually). McDowell uses scripture after scripture to logically show what God's Universal Will is for the following desires of teenagers: (Also the titles of the chapters in this book)1.) Getting Into God's Plan for You2.) I Want to Live Life to the Extreme3.) I Want to Love and Be Loved4.) I Want to Be Surrounded by God's Friends5.) I Want a Meaningful Career6.) I Want the Good Life7.) I Want to Be Close to God8.) I Want My Life to MatterI was just amazed at how McDowell kept me so interested in the idea of following God's Will in my life. There are many lists used in this book which I really appreciated because I felt called to take notes from this book, and these lists made that whole task a lot easier. This book is very biblically sound, but doesn't come across as a turn off to non believers. McDowell uses many stories of average people who didn't know God, but then found God through their circumstances. I highly recommend this book to any teen, especially those who don't God yet, to inspire their lives and transform their thinking, enabling them to have a better life!
