Average Customer Review: 5.0 out of 5 stars 1 customer review

Best Sellers Rank: #992,961 in Books (See Top 100 in Books) #7 in [Books > Arts & Photography > Graphic Design > Lithography](#)

Customer Reviews

I thought I had already reviewed this book. It is excellent and after checking it out at the library I was very pleased to find it new at such a good price on . The drawing is charming and the people placed in various activities within the rooms add to the enjoyment. The binding is not the greatest and is fragile, but the book is wonderful if you enjoy looking at old houses. It is also good for research and I will refer to it frequently.
