## Customer Reviews

Good book with lots of good advice. It does not live up to the subtitle very well, not giving a lot of information as to what to do about the businesses that do not work.

Sadly a rehash of Gerber's other great works. Was hoping for new insights. Still a good read

Interesting read. I enjoyed it immensely. And it is very informative.

Great book.

Awesome book. I am a very seasoned (and quite successful) real estate investor with over 25 years experience. I picked up quite a few tidbits from Michael Gerber and Than Merrill from reading this book. Would highly recommend to novices and seasoned professional alike.

Great book to jump start your investment in real estate

If real estate is your business – This is your book! Get it.

First I bought the audio version. Then I bought the hard copy so I could highlight parts, mark it up and make it a part of my life.
